

Arlington Historic District Commissions

May 22, 2014, 2014
Whittemore Robbins House

Final & Approved Minutes

Commissioners Present: D. Baldwin, C. Barry, M. Bush, C Hamilton, S. Makowka, M. Penzenik, J. Worden

Commissioners Not Present: J. Black, B. Cohen, J. Cummings, M. Logan, J. Nyberg

Guests: K. O'Shea

1. AHDC Meeting Opens 8:00pm
2. Appointment of alternate Commissioners - no formal hearings so no alternates required
3. Approval of draft minutes from April 17, 2014. Moved approval by D. Baldwin, Seconded by C. Barry. Unanimous approval.
4. Communications
 - a. Emails re: 105 Pleasant Street (Erulkar) re: porch entrance light fixture
 - b. 52 Westminster (O'Shea) unpermitted work
 - c. M. Penzenik has had communications on 34 Academy (McKenna) about replacing roof. J. Worden added that this is part of the Preservation Fund and need copy of certificate issued for repairs. (C. Greeley to send copy) M. Penzenik has received application for removal of vinyl siding and replacing with cedar clapboard. Also wants to replace windows with wood windows. We will schedule him for a formal hearing next month and issue a CONA for the windows. C. Greeley to follow up with applicant
 - d. S. Makowka had meeting with Town Counsel. One discussion was about enforcement issues. He will do research for process with other Commissions and J. Worden suggested to S. Makowka maybe he should talk with C. Skelly from Mass. Historical Commission.
 - e. CPA passed Town Meeting and will be on the ballot for a vote.
5. New Business
Hearings (typically last around 20 minutes per application) 8:20pm
 1. **Informal Hearing re: 52 Westminster Ave. (O'Shea)** re: unpermitted work and renovations. K. O'Shea said structure is a 1848 colonial saltbox which had been significantly altered over time. In past, a CONA was issued for repairs on the side of house. He has filed application for a change to a rear addition on left rear of house. Applicant says that a communication error resulted in his contractor moving forward with demolition of this rear kitchen addition without AHDC approval or Building permits. His intent is basically to recreate the kitchen addition on the original footprint with some modifications to the placement of doors and windows to allow interior rearrangements. Homeowner will come to June meeting with formal presentation. The Commissioners stated that we need plans to review and approve. S. Makowka

stated that he asked the homeowner to be here in order to understand what we need to see next month so we can move forward. In response to questions, the homeowner stated that the existing addition was rotted, had carpenter ants, and that nothing was salvageable. There was a brief discussion around the description of the structure as Greek Revival in the historic survey books.

2. **Discussion of Master Plan input from AHDC.** D. Baldwin discussed draft working paper presented a few weeks ago. Report is ok, some discussion about streetscapes in historic areas. Also talked about sidewalks and planting in districts. Tried to list historic properties in report. J. Worden said we all need to print the 20 page paper and make comments. D. Baldwin is coordinating. S. Makowka said 1 paragraph about Historic Districts wasn't enough. Suggested proposing a set of recommendations that can be included in the next round of drafts due in the fall. Discussion about town properties, there is a feeling that we spend big money to create beautiful properties, but we don't allocate the necessary funds to do the caretaking.

6. Other Business

- a. Preservation Loan Program Update
- b. Outreach to Neighborhoods & Realtors
- c. Discussion about solar panel installation at 50 Westmoreland Ave. – panels and frame not all black (white “backing”), also large electrical shut-off box stuck on roof. S. Makowka discussed with contractor as monitor and they have moved the shut-off box down next to meter on the side of house. Frames are not silver, they are black per the certificate, however, the back sheet inside the frame is white which is what is visible at the edge of each panel from the street. S. Makowka suggested that our guidelines need to be adjusted to more clearly reflect our desire that anything on the roof blend in to the existing roof by, as one factor, specifically mentioning that panels should be a solid color that matches the existing conditions. We will send letter that they did not meet the “spirit” of the approval and S. Makowka will redline the design guidelines on solar.

7. OPEN FORUM

Any matter presented for consideration of the Commission shall neither be acted upon, nor a formal decision made the night of the presentation

D. Baldwin said at 49 Academy Street concrete on front walk falling apart, looking to replace with bluestone and granite steps. Walk is at grade, steps would need formal hearing. Also looking to do another set of doors on garage. Gutter and soffits on garage are being replaced.

J. Worden mentioned a newspaper report that the U.S. House had passed a bill directing the Post Office to do away with home deliveries and put up communal mail boxes. Wants to send a letter to make sure local historic districts aren't changed with ugly mailbox things in front of them. S. Makowka said maybe this is something to raise with Chris Skelly from Mass. Historical Commission. S. Makowka proposed an email on the preservation list might have better shot of making a change on a federal issue.

8. REVIEW OF PROJECTS (See project list below)

Project List:

1. 23 Maple Street (Town of Arl. – 10-13P) – Makowka – CONA (Door)
2. 215 Pleasant Street (Gruber – 10-15P) – Penzenik – COA (Garage Door)
